

Prerequisite IBM Cloud Services

Team ID	PNT2022TMID11788
Project Name	SmartFarmer-IoT Enabled Smart Farming Application
Date	14-11-2022
Maximum marks	4 marks

IBM ACCOUNT DASHBOARD

The screenshot displays the IBM Cloud Account Dashboard. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (RAGHUL R's Account). Below the navigation bar, the main content area is titled "Dashboard" and features a "Create resource" button. The dashboard is organized into several sections: a "For you" section with six recommended actions (e.g., "Build", "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "Build a Virtual Private Cloud (VPC)", "Access to a service within resource groups", and "Learn about IAM Roles"), each with a "Getting started" or "Recommended" button and a time estimate; a "News" section with a "View all" link; a "Recent support cases" section with a "View all" link; a "Planned maintenance" section with a "View all" link; and an "IBM Cloud status" section with a "View all" link. The bottom of the dashboard shows a status bar with the text "Waiting for 684d0d43.akstat.io..."
